Begin your journey above the ordinary!

About Pilots Academy

For those who dream to fly

Pilots Academy is one of India's leading aviation training institutes, dedicated to facilitating aspiring aviators into industry-ready professionals.

We believe that flying is more than just a skill—it is a passion, a calling, and a journey that takes you above the clouds. With a proven track record of over 90% toppers pan-India in every DGCA airline attempt, our offerings include comprehensive aviation programs covering ground school, flight training, and DGCA-compliant courses. Students get to train under experienced instructors with over 30 years of experience, ensuring they master the skills required to soar in the global aviation industry.

We are honoured to be your autopilot in this incredible journey, guiding you at every step as you work towards earning your wings.

Through our global partnerships, we offer a world-class, DGCA-compliant training program that ensures you receive top-tier flight education, hands-on experience, and international exposure by real-time airline-experienced pilots.

Pilots Academy is more than just a training institute—we are a launchpad for your dream career in aviation.

The runway is ready, your aircraft is fuelled, and your future awaits... Are you ready for takeoff?

From the Captain's Desk!

Capt. Saurabh Khanna

Qatar Airways | B787

"When I decided to become a pilot, there were no platforms like Pilots Academy. I had to find my way on my own. Today's students are lucky to have a team that guides them from start to finish."

Capt. Jasjit Walia

Etihad Airways | B787

"Back in our time, we didn't have this kind of guidance. Students today have a huge advantage with Pilots Academy. It's exactly the kind of support system I wish existed earlier."

Capt. Shashank Bahuguna

FlyDubai | B737

"I went through a lot of confusion while choosing the right flying school. Pilots Academy helps students avoid that guesswork and start strong."

Capt. Sahil Dewan

Air India | A320

"We didn't have access to proper advice or verified information. Today, Pilots Academy is filling that gap for aspiring pilots, and doing it the right way."

Capt. Yatin Dua

Indigo | A320

"Your first step in aviation matters. Pilots Academy ensures students don't waste time or money by guiding them to the right schools from day one."

Capt. Panav Gandotra

Indigo | A320

"If you're serious about flying, get the right support early on. Pilots Academy offers honest guidance and connects students with real opportunities."

Capt. Harsimran Singh

AkasaAir | B737

"I've seen how Pilots Academy works, and it's refreshing. They genuinely care about student outcomes, not just admissions."
